Rugby History: Was a leaguey as a junior before growing up and seeing 'the light'. First played union at 14 years of age. Had a couple of years off, then started playing seniors at age 17 in Albury for the Steamers. Had first season with the Pirates in 2004.

First played/associated with Pirates Rugby 2004.

Favorite Pirate Moment - No favorites. Just love hanging out with a great bunch of people every weekend playing Rugby and hitting the sauce after every game with the boys. Hopefully at the end of 2007 I'll have a premiership to look back on!

Most People Don't know that I... Really love watching Bails play (sorry Ben but if your going to leave it blank I reserve my editorial rights. Bails)
