## TO ALL PORT MACQUARIE RUGBY UNION CLUB SPONSORS

Dear Valued Sponsor,

In appreciation of your wonderful support for the Port Macquarie Rugby Union Club for season 2007, I would like to cordially invite you and your guests to attend this weekend's round of the Mid North Coast Rugby competition, as guests of the club.

The 2007 season has been a very good one for the Pirates so far this year – currently our First Grade side are undefeated and sitting atop of the competition ladder and are playing some exciting rugby through a blend of youth and experience – with the dedication of the club's well-structured coaching staff laying a great platform for the team to work from.

The club also has seen the development of two teams in the reserve grade competition – locally known as the Second Grade and Third Grade. These teams are evenly matched, as evidenced by the close scoreline in their last match against each other, and both teams are showing that the Pirates are well-and-truly back as a competitive force in the local competition. Currently, the teams sit First and Forth on the reserve grade competition ladder, respectively, and it is a credit to the clubs unique history in the area, that we have been able to fill three strong, senior teams for each round of the competition so far.

Our under 18 team continues to improve under the guidance of a dedicated group of coaches, supporters and parents, and look to be providing the club with a strong future through their skilled performances. The group is made up of mostly under 16 players, who are more than competitive with the likes of their larger opponents.

This week's round sees the club take on the current premiers, Coffs Harbour, and is the only round this year where all four grades will be playing the same opposition. Coffs will be out to revenge their losses in round one to the Pirates, so your support is both valued and needed.

Kick-off is from 12:30 pm (Under 18's and Third Grade). Second Grade starts at 1:45 pm and Firsts from 3:00 pm.

All sponsor's attending the match will receive a number of free drink vouchers, some snack food and the 2007 sponsor's polo shirt. I look forward to seeing you there!

Yours sincerely

Peter Besseling
